# FLAT-PACK CASE

Multi-purpose plastic enclosures

Our FLAT-PACK CASES offer simple and low-priced enclosures for your electronics.

- large range of sizes and versions for table-top and wall mounting
- robust construction with tongue & groove design
- the bottom parts are open at the sides and are thus particularly useful for all installation and service work
- with low (N) and high (H) top part
- versions with handle bar for ergonomic operation or easy carrying
- with ventilation slots for components dissipating high heat (189 L)
- with slots on the top for miniature appliances with sound signal (120 S)
- type A models with aluminum front panels; operating elements are protected by a raised edge on the case
- protection class IP 40 (version without slots)
- internal screw pillars for PCBs etc.
FLAT-PACK CASE

Applications and Examples

Universal enclosures for electronic and electrotechnical devices, e.g.

- measuring and control instruments
- medical
- wellness and laboratory equipment
- and computer peripherals etc.

Suppressed electronic power controller

Customising Options

What do you still need for your own very personal product? We can supply enclosures and tuning knobs with all necessary modifications for fitting your electronic components.
Customising options for Flat-Pack Case

Machining   Lacquering   Printing   Laser marking   Special material
