

## Compact handheld plastic enclosures

The new DATEC-COMPACT series of handheld enclosures has a compact and robust design, ideally suited for mobile devices.

- robust, high-quality material ASA+PC-FR for outdoor use
- high protection class IP 65 with sealing for tough environment or protection class IP 41 without sealing as low-priced enclosures for measuring instruments
- 3 sizes, 2 colours
- with / without battery compartment for 1.5 V AAA or AA batteries; three battery cells guarantee reliable 3V power supply
- SD cards/USB connectors can be inserted within the sealed compartment (versions with battery compartment)
- · station for easy data and charging current transmission available as accessories
- · screw connection with stainless steel screws and Torx drive
- · further accessories: set of battery clips and gold-plated contacts

#### Applications and Examples

- Mobile data recording
- · Measuring and control technology
- Control technology
- Medical and laboratory technology
- Environmental technology
- Outdoor
- Smart Factory
- Industry 4.0

Atmospheric oxygen measuring unit

Spectral light meter

Electronic pool tester

System for leak detection in leisure vehicles

Mobile diagnostic device for CAN and CAN FD buses

Wood moisture measuring device

Phase Multimeter
